EXPOSITION — SUCCESSOR TO 'EXPO '67'

MAY 17 TO OCTOBER 14, 1968

# MONTREAL

## ... INTERNATIONAL

An old world charm with a North American vigour! Canada's biggest, most cosmopolitan city is a unique island metropolis of two million people. It is the second largest French-speaking City in the world... renowned for its continental atmosphere, gay night life and superb cuisine.

## ... MODERN

With landmarks such as Place Ville Marie, the "Rockefeller Centre" of Canada, and Place des Arts, the magnificent center for the performing arts. You can sip cocktails at sunset in the 45th floor of a skyscraper overlooking the world's largest inland harbour. Montréal is the centre of everything... the key to the St. Lawrence Seaway and the gateway for excursions to the Nation's Capital, Ottawa, the beautiful Laurentian Mountains and picturesque Québec City.

## ... ROMANCE

Ride in a horse-drawn calèche through cobblestoned streets... listen to a concert under the stars from the top of the midtown Mount Royal, while shimmering lights below you reflect the pulsating life of a Montréal evening... sit in a smoky bistro from which wafts the delightful aroma of Camembert cheese and roast chestnuts.

# MAN AND HIS WORLD

May 17 to October 14th, 1968

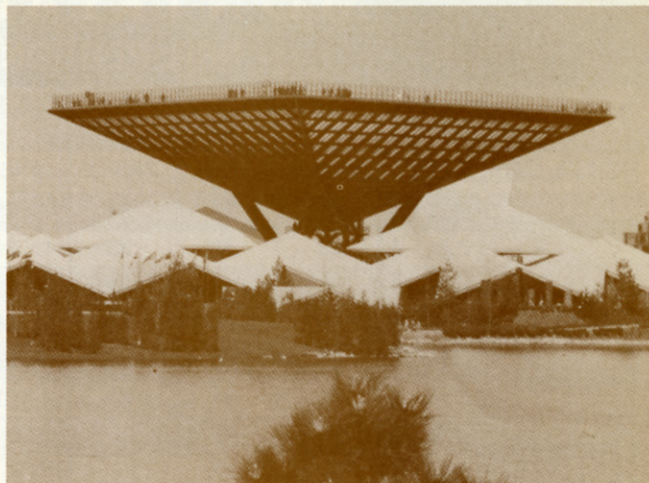

In honor of Canada's 100th Birthday, Montréal hosted the most unique, international spectacle that has ever been seen on this side of the Atlantic... or in the world, "EXPO '67".

Because of its great success, cultural achievements and promotion of international understanding, Montréal is proud to once again feature the world's greatest exposition "MAN AND HIS WORLD", as the successor to "EXPO '67".

In a magical island setting on the St. Lawrence River, an amazing story of man's progress and aspirations is told by national presentations of some 45 countries, governmental and private exhibits in 15 pavilions, new animations in 22 pavilions, and the 3 theme pavilions "MAN THE PROVIDER", "MAN THE EXPLORER" — including Man and Life, Man His Planet and Space, Man and the Oceans, Man and the Polar Regions, Man and his Health — and "MAN IN THE COMMUNITY".

Last but not least, there is "LA RONDE", greatest amusement park with its thrilling rides, even more attractive and more fun this year for young and old alike.

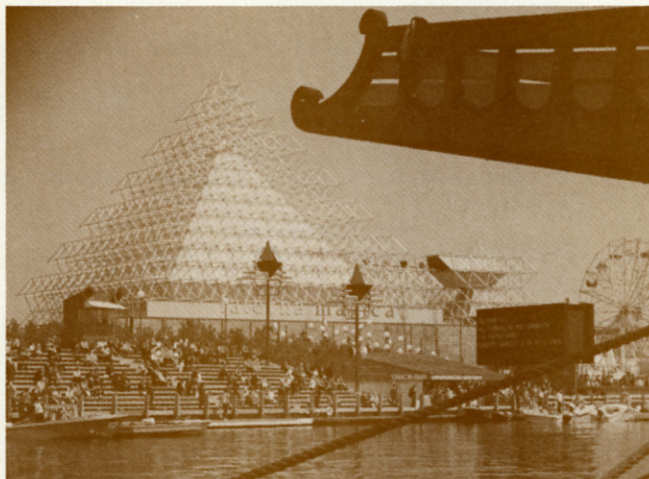

Five wonderful months in 1968, when there is something for everyone in Montréal, the fun capital of the world. If you have seen Expo '67, you will want to come back to "MAN AND HIS WORLD". If you have not visited us last year, you certainly will not want to miss this wonderful opportunity to see our "Fabulous Fair" in 1968. It will be a holiday to remember!
