\* Bible Course Presented by Churches of Christ at 1964-65 New York World's Fair

## HOW MUCH DO YOU KNOW ABOUT THE CHRIST OF THE BIBLE?

If you are like most people, your answer will probably be, "Not very much."

Today, there is a tendency to think of Jesus Christ as a man of a bygone era and the Bible which tells about Him as an antiquated document.

Yet Christ speaks as clearly to our generation as He did to men 2,000 years ago. And His message is as relevant to modern man as it was to men in the first century.

Perhaps even more.

Never before has the world been so plagued by tensions, uncertainty, fear, and anxiety. Never before has the insufficiency of the human spirit been so evident. Never before has the need for the message of Christ been so universal.

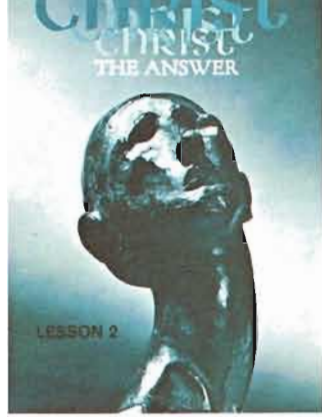

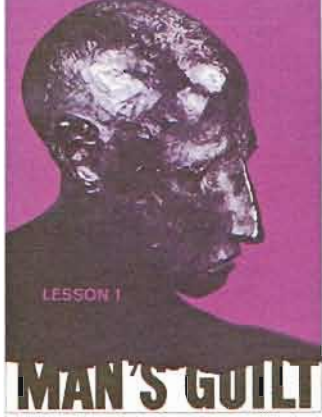

But tragically, the simplicity and clarity of this message seem to have been lost in the confusion and complexity of a divided Christendom.

This free Bible Course, offered by Churches of Christ, is designed to help remove that confusion and restore to the minds and hearts of men the purity, power, and simplicity of the Word of Christ. For only through the Word can man find the unity, joy, peace, and salvation that is in Christ.

### HERE ARE THE SIX TOPICS YOU WILL STUDY IN THE FREE BIBLE COURSE:

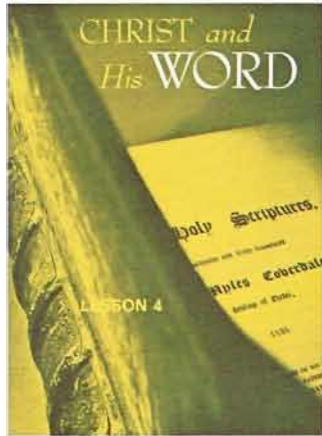

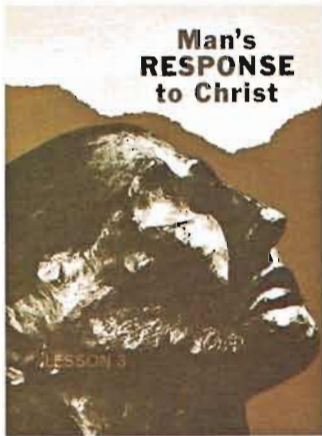

You will receive the lessons one at a time. Upon completion of each lesson, simply mail in the review page for evaluation and the next lesson will be sent to you.

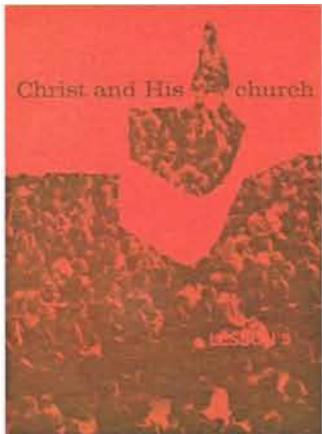

1 *Man's Guilt* analyzes the cause and the consequences of sin and presents the only valid answer to this universal human condition.

2 *Christ The Answer* deals with the divine response to the human plight of guilt and how the benefits of Christ's sacrifice can be gained by each person.

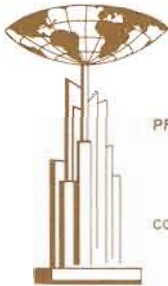

3 *Man's Response to Christ* sets forth the specific acts of a responsive faith that lead one into the spiritual body of Christ.

4 *Christ and His Word* outlines the divine origin of the doctrine of Christ and the transmission of that doctrine —by means of the Holy Spirit, the Apostles of Christ, and the New Testament.

5 *Christ and His Church* contrasts modern usage of "church" to its original meaning in the New Testament; that is, the "called out" body or kingdom — non-denominational in character and fully committed to Christ, the head of the church.

6 *Christ Our Master* describes the beauties and duties of discipleship and stresses the substance of the Christian life of faith.
