

COMMUNICATIONS DEMONSTRATION CENTER

HALL OF EDUCATION/N. Y. WORLD'S FAIR

Please send me information on products by the following manufacturing company participants at the Hall of Education:

American Carpet Institute

(Quality carpets for better noise control, less floor maintenance cost.)

Brunswick Corporation

(Studysphere—the home study center of the future — and classroom seating of today.)

Carter's Ink Company

(Since 1858, communicating ideas through typing, copying, writing, marking.)

General Aniline & Film Corp.

(Overhead projector for hand-written or printed materials.)

Jerrold Electronics

(Television distribution systems.)

New Castle Products, Inc.

(Soundmaster electrically-operable walls.)

Torjesen, Inc.

(Curtain of Silence, Leadx accoustical vertical dividers.)

Visual Electronics Corporation

(EDUCOM materials kit for all audio, video and ETV technical facilities as seen in the Communications Demonstration Center.)
