The Texas Pavilions

A generous sampling of the Wonderful, Wide, Wide World of Texas awaits you at the New York World's Fair. Occupying three acres in the Lake Amusement Area of the Fair, The Texas Pavilions provide fun-filled entertainment for the entire family—each member participating in, and feeling an intimate part of all gardens, displays, exhibits and shows that will abound in the fully weather-protected and air-conditioned pavilions.

The Frontier Palace

At **THE FRONTIER PALACE**, the air will be filled with the mouth-watering aroma of chuck-wagon beef . . . the clock will be turned back . . . and the Old West will come alive! On stage, beautiful dance-hall girls will perform their traditional cancan to the delight of the audience! It's gaudy, romantic, authentic and daring—it's **THE FRONTIER PALACE**, where the Old West will live again! Open until 2 A.M.

The Executive Lounge

THE EXECUTIVE LOUNGE, available to patrons of the Champagne Circle, offers a note of luxury and elegance you will not want to miss. Located on the second floor of the Music Hall, it is a haven for discriminating visitors to the Fair who want to relax with their favorite cocktail and view To Broadway with Love from the fabulous Champagne Circle.

. . . And there are additional delightful regional taste treats awaiting your pleasure at The Texas Pavilions: **GATEWAY TO MEXICO** will specialize in tangy South-of-the-Border specialties such as Enchiladas, Tacos and Chili con Carne. **SHRIMP HOUSE** offers every conceivable culinary means of serving up those marvelous Texas Gulf shrimp. The **BEER GARDENS** specialize in Chicken-in-a-Basket and Texas Hot Dogs. All these—and other goodies—offer assurance to The Texas Pavilions visitor that he won't go hungry!
